

# Building strong children, strong families and strong communities.

NIA offers a range of services to meet the needs of families. We provide cost-free support through programs and services dedicated to advocacy, counseling and education.

Our effort and commitment to building strong children and families will lead to more stable and stronger communities.

**NIA Youth & Family Counseling Services**  
are available at our Main Office.

For more information or to schedule an appointment, call 718.236.5266 or send an email to: [info@niabklyn.org](mailto:info@niabklyn.org)
