Clean Up The Streets!

by Brooklyn Eagle (edit@brooklyneagle.net), published online 10-25-2007

The Neighborhood Improvement Association and officers of the 68th Pct. teamed up on Saturday, New York Cares Day, to clean up graffiti in Bay Ridge on Seventh Avenue between 80th and 87th streets and on 92nd Street and Gelston Place. Fifteen people gathered for the undertaking on Saturday, repainting the gates of local business with paint supplied by the mayor's office, said Rosa Casella, executive director of the Neighborhood Improvement Association, which provides activities for senior citizens and counseling to youth and victims of domestic violence.
